In a city that grows ever more crowded, how do we make a life most in tune with who we are?

Picture a home  
with visions of a better world,  
a sanctuary made for tomorrow  
and its endless possibilities.

An abode between the future  
& the familiar, made for life  
as it should be.

# Creating A Brighter, Better Home For All

Fostering A Thriving Lifestyle  
Through Sustainable Practices

### Cool & Comforting Ventilation

Altura’s architectural design artfully reduces solar heat gain. Kitchens, bathrooms, & common areas are open to ample natural air for cool, breezy everyday.

### Energy & Environmental Efficiency

Energy efficient air-con systems are used throughout the development, together with LED fittings, motion sensors & consumption-saving lift systems.

### Serviced With Solar Power

Installed on the development roof tops, solar panels offset the power consumption of communal areas & amenities, achieving cost savings.

### Conserve Whilst You Consume

All apartments are equipped with fittings that aid in reduction of water wastage.

### Nurtured With Nature

Seamless access to open, natural spaces & communal areas with conscious greenscaping of diverse flora provides a home environment for total well-being.

### Commute With Eco Ease

Greener, healthier daily routines are effortless, with allotted EV chargers & bicycle lots.
